## Summer Program 2011 Course Selections, Tuition and Fees

**Program** Fenster offers a six-week summer session for students in Grades 9 - 12 during which students may enroll in courses for enrichment or remedial purposes. Students take three classes with each class meeting for two hours a day.

The summer session provides the perfect opportunity for students who need to catch up on their studies, would like to explore a potential area of interest, or would like to become familiar with the boarding experience. Located north of Tucson, the campus is nestled in the foothills of the Santa Catalina Mountains and surrounded by the beauty of the Sonoran Desert. Students have plenty of opportunity to enjoy their summers between classes and we offer such activities as a climbing wall and ropes course, horseback riding, swimming, and weekend trips.

June 20, 2011 Classes begin
